Hello!

I did not even know they were calling for snow (and the chances of precipitation are fairly high). Thank you for bringing that up. For everyone's safety and being able to see what we are going to look at, I think it would be best to postpone.

Is anyone opposed to this?

Thank you,

*Jena L. Saxton*

Id say yes, but the weather forecast looks like snow. We wont see a lot if everything is covered. What are your thoughts ?

Good Afternoon!

Just wanted to follow up and make sure we had a solid plan in place for Thursday.

If we go with our previous agreement we will be meeting at Thurman Adams State Service Complex (546 S. Bedford St., Georgetown, DE 19947) next to the DelDOT yard at 10:00am.

Does this still suit?

Thank you,

Jena L. Saxton

Hi Everyone,

The 19<sup>th</sup> is the meeting for our Governor's appointed recycling committee. I would prefer the 20<sup>th</sup> and 21<sup>st</sup> if that's possible for everyone else.

Thanks,  
Adam

Hello,

I looped Adam in (he will be attending from WHS). I do like Jason's idea of meeting somewhere that is perhaps easier to find.

What are you thoughts Chuck and Peter?

Tuesday, December 21, 2021 meet at Thurman Adams State Service Complex (546 S. Bedford St., Georgetown, DE 19947) next to the DelDOT yard at 10:00am?

Thank you and have a great weekend!

*Jena L. Saxton*

A bit farther away but right off the Rt 113 is the State Service Center next to the DelDot yard near to Georgetown (intersection of Rt113 and Rt 9/S Bedford St). May be easier to find and get to. The church is certainly closer though.

I am not super familiar with the area of the Lawson Road activity but on maps it looks like there is a Zoar Church off of Zoar Road nearby.

We could all meet there at 10am and travel to the Lawson Road property. Jason, do you have any ideas of other places to meet in the area?

Thank you,

*Jena L. Saxton*

Hey folks, I'd like to insp the Lawson Road activity first, since it is more unknown at this point, and reserve the afternoon for the Inland Bays operation. I think Pete and I can meet you folks at 10 am. Do you have a place we can meet prior to going to Lawson Rd ?

We are fairly flexible. Would you be going to the wastewater facility first then the Lawson Rd property? I believe the potential for solid waste issues was at the Lawson Rd property only. We can certainly accompany you to both sites if that works better for timing.

Good Afternoon Chuck!

Attached you will find the facility's draft storm water plan. We currently have a few comments out to the facility about it.

Cody and I discussed a time and we are fairly flexible. Would you guys want to meet between 10 and 11?

Jason, what does your schedule look like?

Thank you,

Hi folks,

Id like to coord w you regarding inspections of these 2 acitivities. What time frames are you thinking ? We have a little bit of hike, but we will try to get there early . Do you have any background info we can read before the inspection ?

Thanks for your time, it is appreciated.
